

Learning Project WEEK 5- Environments

Age Range: EYFS

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Watch a Numberblocks clip each day at: BBC or CBeebies. Use this guide here to give you ideas on what to do with your children whilst watching an episode. • Play the Numberblocks add and subtract quiz. • Play Numbots https://play.numbots.com/ • Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc. • Write out the digits 0 - 9. • Practise recognising amounts to ten by playing these games. Have a go at all the different parts of the game – build, fill, add etc • Listen to a number song from the CBeebies website. After listening to them, watch again and sing along if you can. Talk about the maths you can see in the video clip. 	<ul style="list-style-type: none"> • Read one of the ditties sent home – activities for each sheet include: speed sounds, green words, red words, sentences, question to discuss • Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development. • Read to parents daily. Visit Oxford Owl for free eBooks complete the linked Play activities for each book. • With your child, look in magazines, newspapers and books for the red words they are currently learning. They could use a highlighter to highlight in magazines and newspapers.
Weekly Phonics Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Daily phonics watch RWI on YouTube - Practice the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud p-l-ay) or written if appropriate. Interactive games. • Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes. You can find an A-Z of Nursery Rhymes here. • Sing the song, 'Incy, Wincy Spider' and add in the rain sounds using your rainmaker (from the learning project below). 	<ul style="list-style-type: none"> • Each time your child reads a 'Ditty' they are to write the sentence at the very bottom of the page. (see week 1 for instructions) • Write to a friend – what questions would you ask them? • Practice forming the letters of the alphabet. • Ask your child to write out the red words they are working on at the moment on pieces of paper and turn them into a pairs game. • Talk about recycling – what recycling do you do in your house? Create a poster to remind everyone to recycle

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on environments, climate change etc .

- **Create a daily weather chart-**

- Record using pictures and written labels (where appropriate). How has the weather changed over the week?
- If it is raining, leave a container outside to collect the rain e.g. a water bottle with the funnel cut off. Draw a line or make a mark to show where the rain came up to. Repeat overnight or the next day and compare your results.

- **Recycling/ Exploring Materials-**

- Provide your child with a selection of packaging to sort into groups to recycle. Can they identify plastic, paper, card, metal.

- **Create your own rain cloud-**

- Use a plastic container with a lid (e.g. a water bottle) and make small holes on one side. You could stick on cotton wool to decorate. Fill the container with water and watch as the water drips out.

- **Weather sounds (Rainmakers)**

- Provide your child with either a plastic container, bottle or other junk modelling item. Pour in a spoon or two of rice or lentils and secure with a bottle lid or sellotape. Decorate with stickers, glitter and sequins if you have them available. Have fun exploring making rain sounds.

- **Ice-**

- Watch '[Frozen- In Summer](#)'. Discuss with your child what they think will happen to Olaf when it gets warm. Support your child to fill up ice cube trays or plastic containers, if ice cube trays are not available, and freeze. Once frozen, take them out and explore how quickly they melt: in your hands, in the fridge, on the windowsill and when blown with the hairdryer.
- Search on Google Maps for the UK. Discuss with your child the colour of the land and sea. Scroll up to look at the Arctic. Discuss why the land looks different in the Arctic, because the land is covered in snow and ice. Discuss the differences in temperature in the UK and the Arctic. Look at a picture of an [igloo on google](#).
Fill an ice cube tray with water and when frozen take out and support your child to create their own igloo out of the ice cubes.
